Dear Joe,

As a result of reassessment audit 16-2968R, PRI Registrar is pleased to inform you that the Quality System of Denco Aerospace, Inc., has been verified in conformance to ISO 9001:2008 and AS9120 Rev A. Since no nonconformances currently remain open, registration is without conditions.

As you may know, the new ISO 9001:2015 and AS9100 standards have been officially released. The IAQG has stated that where a certification document is issued or re-issued to an AQMS standard that is prior to the 2016 editions, that the expiration date on the certification document and in the OASIS database shall not exceed September 15, 2018. Once Denco Aerospace, Inc., has upgraded to the new ISO 9001:2015 and AS9100 standards, the expiration will return to the original expiration date of August 9, 2019.

The PRI Registrar Website www.priregistrar.org holds valuable information so we suggest that you visit often. From our homepage select the EQM Client Login tab in order to log into your organization's record. Here you can find information related to the Appeals Process, standard conformity and proper use of the certificate and Logo mark(s). If you need reminded of your Login/Password, please call Lisa Zajacs at 724-772-8671 or Cell 724-719-8575.

Electronic Logos will be sent to your e-mail address upon request.

Please be advised that all reports/documents relating to this audit are now located in the "Attachment" area of our EQM system under this audit number. These are for your use and are to be considered the final documents.

Sincerely,

Peter P. Kucan, Jr.
